

Students' Council Elections

Candidate Profiles

Well first of all...my name is **Jenelle Roasting**. My friends call me Nellie. I like meeting and making new friends, also trying new things and different challenges. I've lived in Edmonton for only three months and already feel like I've lived here forever. What I'm really trying to say is I adapt fast. I would like to help the rest of the Students' Association help the students of NorQuest so that is why I think I would be good for Students' Council Representative. Give me a chance to prove that to you!

Osman Moumand - I want to be part of the Students' Council so I can make a difference. I love to listen to everybody's comments, concerns and ideas. I will try to do the best that I can to solve their problems. I am already working with students through a student club where I organize different activities and events for the students. I believe by having all of my previous experience I can be a good representative for the students since I am naturally blessed with a polite attitude toward all and I enjoy to work among students.

My name is **Robert Lock** and I am looking to join the Students' Council. First off I would like to say that I am not looking to make a major difference, I dare say that change takes time and effort. My aim is to make a small difference like saying hello or waving to some random person in the hall I plan on bringing a positive attitude to the Students' Council. I can provide ideas for or against any situation. After all, we as students have plans and ideas for our future. Sometimes the little things don't seem so small from a day to day perspective.

Hi my name is **Rose Ann Marie Duperron**. I'm a female student currently attending NorQuest College. I am at NorQuest to become a social worker but more specifically an addictions counselor. My desire is to give back to the college and help the students work towards positive learning and successful career studies while having fun and making new friendships for life. I believe I'm the right person for the position because I have many skills that I believe would benefit you as the people as well as the team of Students' Council such as I am a smart, trustworthy, hardworking and dependable. I work well with others, I'm also a wonderful advocate for what is right and don't back down from things that I or others believe in. I have many hours of volunteer experience and know what it is to give of your time to help others. I have had experience as a keynote speaker for the government on issues such as resiliency and succeeding in school and life. I have faith this has prepared me to have strong oratory skills which is necessary when being a voice for others. I have strong organizational skills as well as experience in coordination countless conferences and events. I have offered my services in the past throughout the school when they were needed such as the Christmas party, drug awareness week and the back to school beach bash. Finally to fulfill my desire to give back to NorQuest and be apart of changes to help our school grow. I ask that you vote for Rose as it is our chance to bloom!

My name is **Hamad Hassan**. I want to become a member of Students' Council because I want to participate in the running of events and services for students and to contribute what I can in any activities undertaken by the Students' Council. I am a good writer who puts a lot of effort into his work. I am an optimistic kind of person who is easily approachable and will not hesitate to help those in need.
